## 2021 Commercial Fishing and Seafood Processing Facts

*Commercial fishing in Alaska is a major contributor to Pacific Northwest and California employment and wages. The fishing industry employs thousands of individuals, who earn millions of dollars, and produces billions of pounds of seafood for the US and the world.*

*Commercial fishing permit holders represent small and family-owned business, supporting dozens of other services businesses such as hardware and marine suppliers, fuel, accountants, air and water travel and shipping, boat builders, restaurants, scientists, and administrators.*

*Statistics are not readily available for Alaska seafood processing jobs and wages paid to Oregon and California residents. The following numbers are for harvesting (fishing) only:*
